

# 7<sup>th</sup> Annual McMaster INTER-PROFESSIONAL FORUM FOR EYE HEALTH & VISION CARE

## TARGET AUDIENCE

The target audience for the workshop are Ophthalmologists, Optometrists, Family Physicians / Emergency Room Physicians, Nurse Practitioners, Occupational Therapists, Rehabilitation Specialists, Opticians, Residents and Other Primary Eye Care Workers.

### THEME: "Clinical Eye Care in Inter Professional Collaboration: Diabetes, Red Eyes and Driving Skills"

The goal of this workshop is to provide ophthalmologists, optometrists, family / emergency physician and other primary eye care providers with a professionally stimulating forum in which to exchange ideas regarding enhancing inter-professional collaboration for eye care in the management of common blinding eye conditions including presentation of new research developments.

Accredited for

**6.75**  
Mainpro+  
& MOC

## LEARNING OBJECTIVES

By attending this activity, participants will be able to:

- Discuss the role of Interprofessional collaboration (IPC) for the development of a high-quality clinical eye and vision care system models for managing diabetes, red eyes, improves driving safety and patient's outcome.
- Discuss the various available guidelines for the collaborative management of diabetes by eye and health care professionals.
- Discuss the organization of Diabetes care in Canada and explore the role clarifying team based, multidisciplinary approach and innovative IPC care models for the treatment of diabetic eye diseases.
- Identify the clinical approach to the differential diagnosis of the red eye, the IPC referral protocols and strategies to improve referrals, appropriate communication and patient related outcomes.
- Discuss the medical and vision standards for driving in Canada and enumerate the role of the eye care professionals in the identification and assessment of the safe driver and the key challenges in the decision-making process.
- Using various CME methods including meet the experts' forum and others, describe the different innovative and practical approaches to co-manage the common eye problems that present to the primary-care physician including the knowledge and skills for ophthalmic examination.

# AGENDA

\*Activity subject to change

12.30 – 1.00pm

## Registration

1.00 – 1.10pm

Welcome and Introduction  
**Dr. Enitan Sogbesan**

## Top Gear Driving Alert! We have Driving Standards Moderators; Dr. George DeRubeis & Dr. Kathleen Hill

1.10 – 1.30pm

Best Practices for Driving Safely: Determining driver fitness in Canada  
**Kyle Biel**

1.30 – 1.50pm

Medical and Vision Standards for Driving and Drivers Education Programs at a Glance  
**Elizabeth Weldon**

1.50 – 2.10pm

Ophthalmic Service Guidance: Medical Standards for Driving – What's expected of me and my role?  
**Dr. Tammy Labreche**

2.10 – 2.30pm

Ensuring patient confidentiality and acting in the public interest: Balancing the duty of care  
**Dr. Stanley Woo**

2.30-2.40

Eye Mac: Collaborative Vision Screening in Children  
**Dr. Kourosh Sabri**

2.40-3.00

Panel Discussion

3.00-3.10

## Break & Poster Review

## Eye Health and Diabetes: Inter-Professional Collaboration and Coordination of Patient Centered Care Moderator: Dr. Enitan Sogbesan

3.10 – 3.30pm

Organization of Diabetes care: Canadian Diabetes Guidelines  
**Dr. Diana Sherifali**

3.30 – 3.50pm

Evidence Based Collaborative Diabetes Care in Primary Care  
**Mike Spoljar NP, Dr. Jonel Miklea**

3.50 – 4.10pm

Guidelines for the collaborative management of Diabetes by eye care professionals  
**Dr. Derek MacDonald**

4.10 – 4.25pm

Panel Discussion

4.25 – 4.45pm

Team Care Approach for Diabetes: Exploring role clarity in multidisciplinary collaboration in the treatment of patients with Diabetic Eye Diseases  
**Dr. Sarah MacIver**

4.45 – 5.05pm

Optimizing patient outcomes in Diabetic retinal disease: A collaborative care model in Tele-Retina  
**Dr. Varun Chaudhary**

5.05 – 5.15pm

Panel Discussion / Practical application

## Case Studies / Jeopardy 2019

5.15 – 6.00pm

**Dinner with the Experts "Poster Review"**  
Case Studies – A discussion of Challenging Cases  
• Red Eye: What is the diagnosis? – When to treat and When to refer!

## Let's Share the Care: Clinical Approach to the Differential Diagnosis of Red Eye

Moderator: Dr. Jonel Miklea

6.00 – 6.20pm

Ocular surface diseases  
**Dr. Mark Fava**

6.20 – 6.40pm

Anterior Uveitis  
**Dr. Brian Chan**

6.40 – 7.00pm

Acute Glaucoma  
**Dr. Enitan Sogbesan**

7.00 – 7.15pm

Panel Discussion

7.15 – 7.30pm

Ocular Trauma  
**Dr. Laura Donaldson**

7.30 – 7.50pm

More than Meets the Eye - Red Eyes and a Rash: A Pediatric Review  
**Dr. Kourosh Sabri**

7.50 – 8.10pm

What to do when the Eyes have it: Prescribing for treating the Red Eye  
**Dr. Sarah Mullen**

8.10 – 8.25pm

Panel Discussion / Practical application

8.25 – 8.35pm

What's next in inter-professional collaboration  
**Dr. Enitan Sogbesan**

8.35pm

Evaluation

## PLANNING COMMITTEE

Associate Professor  
Residency Program Director  
Glaucoma and Cataract Surgery Department of  
Ophthalmology  
McMaster University, Hamilton, ON

### **Nina Ahuja, BScHons, MD, FRCS, CHE**

Vice-President, Medical Staff Association  
St. Joseph's Healthcare Hamilton, Hamilton, ON  
Division Head, Ophthalmology  
Associate Clinical Professor, Department of Surgery  
McMaster University, Hamilton, ON

### **Khalid Azzam, MBBS, FACP, FRCPC, CPE**

Professor of Medicine, Division of General Internal  
Medicine  
Assistant Dean, Continuing Health Science Education  
Program  
McMaster University, Hamilton, ON

### **Varun Chaudhary, MD, FRCS(C)**

Chief of Ophthalmology  
Associate Professor, Department of Surgery  
McMaster University  
Hamilton Regional Eye Institute  
St Joseph's Healthcare,  
Hamilton & Hamilton Health Sciences

### **Jonel Miklea, MD, CCFP, FCFP**

Associate Professor  
Department of Family Medicine  
McMaster University, Hamilton, ON

### **Kathleen Hill, OD**

Ancaster Eye Clinic  
Member of OAO & HDSO, Co-President  
Ancaster, ON

### **George De Rubeis, BSc, OD**

Optometry Clinic of Stoney Creek Owner/Director  
Stoney Creek, ON

### **Sarah MacIver, OD, FFAO**

Associate Clinical Professor  
Head, Health Sciences Optometry Clinic  
University of Waterloo  
School of Optometry and Vision Science

### **Sheilah Laffan**

CHSE Program Manager  
Continuing Health Sciences Education  
McMaster University, Hamilton, ON

### **Natalie Park**

CHSE Coordinator  
Continuing Health Sciences Education  
McMaster University, Hamilton, ON

## MCMASTER FACULTY

### **Enitan Sogbesan, MD, MSc, FRCS, FACS Chair**

Associate Professor  
Residency Program Director  
Glaucoma and Cataract Surgery Department of  
Ophthalmology  
McMaster University, Hamilton, ON

### **Jonel Miklea, MD, CCFP, FCFP**

Associate Professor  
Department of Family Medicine  
McMaster University, Hamilton, ON

### **Michael Spoljar, BScN, NP-PHC**

Assistant Professor  
Department of Family Medicine  
McMaster University, Hamilton, ON

### **Varun Chaudhary, MD, FRCS**

Chief of Ophthalmology  
Associate Professor  
Department of Ophthalmology  
Department of Surgery  
McMaster University, Hamilton, ON

### **Mark Fava, MD, FRCSSC, DABO**

Assistant Clinical Professor  
Department of Ophthalmology  
Department of Surgery  
McMaster University, Hamilton, ON

### **Brian J. Chan, MD, FRCS, MSc**

Assistant Clinical Professor  
Hamilton Regional Eye Institute  
Division of Ophthalmology, Department of Surgery  
McMaster University, Hamilton, ON

### **Laura Donaldson, MD**

Department of Ophthalmology  
PGY5 Resident  
McMaster University, Hamilton, ON

### **Gloria Isaza, MD**

Associate Professor  
Pediatric Ophthalmologist  
Department of Ophthalmology  
McMaster University, Hamilton, ON

### **Sarah Mullen, MD, FRCS**

Assistant Clinical Professor  
Department of Surgery  
Department of Ophthalmology  
McMaster University, Hamilton, ON

## GUEST FACULTY

### **Kyle Biel**

Program Advisor  
Licensing Services Branch,  
Ministry of Transportation  
St. Catherines, ON

### **Elizabeth Weldon**

Program Advisor  
Licensing Services Branch,  
Ministry of Transportation  
St. Catherines, ON

### **Tammy Labreche BSc, OD, FFAO**

Associate Clinical Professor  
Director, Centre for Sight Enhancement  
Head, Habilitation Clinics  
Waterloo Optometry & Vision Science  
University of Waterloo, Waterloo, ON

### **Stanley Woo, OD, MS, MBA, FFAO**

Director and Clinical Professor  
School of Optometry and Vision Science  
University of Waterloo, Waterloo, ON

### **Diana Sherifali RN, PhD, CDE**

Associate Professor  
School of Nursing  
McMaster University, Hamilton, ON

### **Derek MacDonald, OD**

Author on ECHO guidelines  
Waterloo, ON

### **Sarah MacIver, OD, FFAO**

Associate Clinical Professor  
Head, Health Sciences Optometry Clinic  
School of Optometry and Vision Science  
University of Waterloo, Waterloo, ON

## ACCREDITATION STATEMENTS

McMaster University, Continuing Health Sciences Education Program (CHSE) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide CFPC Mainpro+ and RCPSC Maintenance of Certification (MOC) study credits for Continuing Medical Education.

This one-credit-per-hour Group Learning program meets the certification criteria of The College of Family Physicians of Canada and has been certified by the McMaster University Continuing Health Sciences Program for up to **6.75 Mainpro+ credits**.

This activity is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada and approved by McMaster University, Continuing Health Sciences Education Program for up to **6.75 MOC Section 1 hours**.

Through an agreement between The Royal College of Physicians and Surgeons of Canada and The American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at: [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme).

\*Each healthcare provider should claim only those hours of credit that he/she actually spent in the educational activity.

Accredited for  
**6.75**  
Mainpro+  
& MOC

## DISCLOSURE OF CONFLICTS OF INTEREST

In keeping with accreditation requirements and the National Standard for Support, McMaster University, Continuing Health Sciences Education Program requires that all speakers, planning committee members, moderators, facilitators and authors participating in this activity must disclose all relationships with for-profit and not-for-profit organizations over the previous two years. Disclosure must be done in print, verbally, and in writing on a slide prior to the speaker's presentation.

## PHOTOGRAPHY

Candid photos will be taken at the activity. Your registration implies your permission for these photos to be used for promotional material. Individuals in photographs will not be identified.

## ACTIVITY PACKAGES

Includes afternoon break and dinner. Your activity lanyard must be worn at all times throughout the day. If you have a guest accompanying you to the activity, their meals are at their own cost & will be billed directly.

## CONFIRMATION OF REGISTRATION

A written acknowledgement of your registration will be sent prior to the activity. Receipts are emailed at the time of registration and an additional email will be sent after the activity, confirming your certificate of attendance is ready to download or print. Your registration is not complete unless a confirmation is received. If you have not received a confirmation within 7 days of registration, please contact the CHSE office.

## CANCELLATION POLICY

The University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received before **September 18, 2019** will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

## LIABILITY

Continuing Health Sciences Education (CHSE) hereby assumes no liability for any claims, personal injury, or damage:

- To any individual attending this activity.
- That may result from the use of technologies, program, products and/or services at this activity.
- That may arise out of, or during this activity.
