ONLINE PLATFORM – ZOOM

The **2021 Virtual Course** will consist of **six half day sessions** that will occur once a month on a Thursday afternoon from 3:00–6:00 pm Eastern Standard Time. Each half day session will have six topics on Updates in Internal Medicine and will begin in January 2021. Registrants will have an option to register for an individual session or all six sessions.

LEARNING OBJECTIVES

By attending this course, participants will be able to:

- Learn practical approaches to medical problems from different disciplines of internal medicine encountered by hospital-based medicine practitioners.
- Learn practical approaches to medical problems from different disciplines of medicine encountered in ambulatory settings.
- Appreciate the breadth of internal medicine problems faced by clinicians.
- Learn about controversies in internal medicine.
- Update knowledge in problems encountered in internal medicine.
