16th Annual Ontario **THORACIC CANCER** Conference

April 14–16, 2023

QUEEN'S LANDING

155 Byron Street, Niagara-on-the-Lake, Ontario, Canada

Learning Objectives

At the end of this activity, participants will be able to:

- Identify treatment of curative and advanced thoracic malignancies.
- Identify upcoming clinical trials of interest in thoracic malignancies across Ontario for 2023.
- Recognize the public health challenges in accessing care for patients with thoracic malignancy.
- Identify the utility of palliative care in populations that are living longer.

Register Online: www.ontariothoraccancer.ca
